PORKKA

50 years high-quality
marine catering equipment
used in galleys
throughout the world

OUR COMPETENCE TEAM WITH A LONG LASTING EXPERIENCE:

Our clients appreciate an individual planning corporation with us. The delivery of layout-drawings, foundation plans and installation instructions is a skilled service from our side. Tailor-made solutions for the wide scope of our products are available. Mounting and installation can be arranged up to complete turn-key solutions.

GALLEYS FOR ALL TYPES OF SHIPS

Bohnhoff Hamburg is specialist in the production and the supply of catering- and laundry-equipment. The solution we offer meet the requirements of all types of ships.

- RIVER CRUISE VESSELS
- CRUISE-LINERS
- TALL-SHIPS
- NAVY VESSELS
- CARGO SHIPS
- RO-PAX-VESSELS
- LUXURY-YACHTS

Peter H. Bohnhoff Dipl.-Ing., CEO:

**“WE PROVIDE FULL PROJECT SUPPORT
FROM THE INITIAL DESIGN TO THE
COMMISSIONING AND HANDOVER TO THE CLIENT.”**

CONSULTING AND PLANNING

Your requirements and our experience provide the basis for efficient planning with the most modern design facilities.

PRODUCTION

A direct way is leading from the design department to the production line. This is the flexible way to meet your individual demands.

DELIVERY AND INSTALLATION

The scope of our services includes delivery, mounting, installation and commissioning.

TURN-KEY-SOLUTIONS

Being the main contractor we are coordinating all necessary activities for a turn-key solution i.e. wall and ceiling cladding, tiling, installation of sanitary equipment, piping and electrical installation of galleys, pantries and laundries.

MAINTENANCE AND SPARE-PART-SERVICE

After-sale-services start, when all supplies have been “set to work” and been commissioned. Our own service technicians and international service partners will guarantee the necessary support. Daily dispatch of spare-parts is an important part of our business.

USPH (UNITED STATES PUBLIC HEALTH)

30 years ago we started the successful manufacturing of stainless-steel hygienic furniture and cooking appliances. We follow the requirements of US-Public Health and CDC.

www.porkka.com

NOW AVAILABLE WITH
ENVIRONMENTALLY
ENERGY EFFICIENT
R290
REFRIGERANT
