**LUXURY YACHTS**  
Quality and Competence

## WE ARE FOCUSED ON APPLIANCES FOR SEA GOING SHIPS FOR MORE THAN 125 YEARS!

We take care of your beverage storage and technical outfit of bars. Get your fresh linen from our high standard laundry equipment.

If you wish to have your dreams come true contact us with your ideas, our planning team will prepare the right design for our equipment. Your requirements and our experience provide the base for a successful cooperation. Your projects will gain a lot from our competence.

We support your project from the initial planning up to the final commissioning. Daily dispatch of spare-parts is an important issue of our business.

## COOK YOUR DREAMS – WE HAVE THE RECIPES!

- High class tops: granite, corean, satin finish stainless steel heated or chilled surfaces available
- Modern integrated cooking appliances: induction, multi purpose grills, wok, griddles, deep fryer, bain maries etc.
- Hygienic seamless tops on cooking islands and furnitures
- Self cooking centres<sup>R</sup>
- Heated or refrigerated drawers
- Special stainless steel decorative surfaces
- High standard hygienic executions H2, H3, USPH
- Fully automatic dish and glass washers with integrated steam condensation and automatic hoods
